Children and Youth are involved with respite services across the South West Region and we would love to celebrate their creativity at our upcoming symposium! What better way than through their own artistic expression. Whether it's a painting, sketch or crayon, as long as it's original we want it! Please share this contest with families, children and youth who are receiving respite services in Southwester Ontario.

All submissions can be sent to:

South West Region Respite Network

Art Event 2019

Thank you for your submission to the South West Region Respite Network's Art Contest. The Network is hosting the 2nd Respite Symposium, a professional development day for agencies this spring and is incorporating art designed by children who are involved in respite services. The artwork will be highlighted throughout the program as well as promotional material in preparation for the Symposium. The intent of the submissions is to give children an opportunity to express what they love about respite and share with the professionals who provide the care.

Event Rules

Artist must be between the ages of birth and 18. Entries must be original. Entries must be inspired by a respite experience or made during a respite period. All entries become the property of South West Region Respite Network and can be duplicated for the use of branding, advertisements, or any other print or social media. Artwork will not be returned. All artwork must be signed. All entries must be accompanied by a consent form below.

The deadline is February 28th. Event winners will be notified by phone or email. They will be recognized in the program of the respite Symposium and online. Contact Amy Verberne (519-686-3000 x 341) to arrange a time to drop off entries or mail entries to:
